**LABELING:**

**WALL GALLERY ART:** No code, but artist's name and title must be on the back. PAS will prepare a label for each Wall Gallery Art piece.

**MARKETPLACE:** EACH INDIVIDUAL ITEM MUST HAVE A LEGIBLE, UNIQUE STICKER OR TAG **FIRMLY ATTACHED** showing the **price** and its unique **inventory code**.

- **Coding** - The ID code must be your initials (3 if possible) **plus** a number, created in a linear sequence to represent the items starting with the number one (1) and continuing without breaks through **all** your items. *See Coding Examples on next page.*
- The purpose of this is to ensure accuracy during the payment process. If your tag/sticker is not legible or it falls off we cannot guarantee payment accuracy. Every item must have a unique ID code so we will not be trying to figure out which card/print/bag is blue or green or has flowers or butterflies. If you have numerous like pieces, you will not need to write out a description for every item on the Entry Form...just give us the code numbers. *See Example on next page.*

**LIABILITY:** While the Princeton Arts Society will do everything possible to carefully handle art items and maintain security from time of drop-off to time of pickup, the Princeton Arts Society will not accept any liability for lost or damaged artwork or for artwork remaining after designated pickup time. Artists will also be responsible for any tax liability resulting from the sale of artwork.

\_\_\_ I have read and accept the Liability responsibility as stated above.
